Nothing contained in our Technology Services should be construed as granting, by implication, estoppel or otherwise, any license or right to use any intellectual property without the express written permission of Covetrus (or the relevant Covetrus Affiliate), our licensors or suppliers, or the third-party owner of any such intellectual property and use of the intellectual property is expressly prohibited other than as expressly permitted by this Agreement. Covetrus trademarks may not be used in connection with any product or service that is not ours, in any manner that to cause confusion among Clients, or in any manner that disparages Covetrus, its licensors, or its suppliers.

(f) **Suspension.** Notwithstanding anything to the contrary in this Agreement, Covetrus may temporarily suspend Client's and any authorized end user's access to any portion or all of the Subscription Services, Software, and/or Data Analytics if: (i) Covetrus reasonably determines that (A) there is a threat, attack, or security risk on or to any of the Subscription Services, Software, and/or Data Analytics; (B) Client, or user, is using the Subscription Services, Software, and/or Data Analytics contrary to the terms of this Agreement; or (ii) in accordance with Clause 3. (c) **Taxes.** All fees are exclusive of all taxes, including federal, state and local use, sales, property, value-added, ad valorem and similar taxes related to this transaction, however designated (except taxes based on Covetrus' net income). (g) **Termination.** On the expiration or termination of this Agreement, the Client shall promptly return to Covetrus all copies, whether in written, electronic, or other form or media, of confidential information, or destroy or expunge all such copies and certify this in writing to Covetrus.

In the event of any inconsistency or conflict between this Agreement and the Covetrus privacy policy or Covetrus Data Processing Addendum, the terms of this Agreement shall take precedence.

6. Third Parties.

The Subscription Services and Software may include functionality provided by third-party specialty data processors on a Software as a Service (SaaS) basis from their own data centers. Client consents to Covetrus' use of these third parties and to their processing Client Data. Covetrus may from time to time make third-party products available to Client. For purposes of this Agreement, such third-party products are subject to their own terms and conditions and the applicable flow through provisions referred to in the applicable Order Form or SOW. If Client does not agree to abide by the applicable terms for any such third-party products, then Client shall not install or use such third-party products.

7. Security.

Without limiting Client's responsibilities under Clause 5 or Clause 9, Covetrus will maintain and enforce commercially reasonable physical and logistical security methods and procedures designed to protect Client Data on the Subscription Services and to secure and defend the Subscription Services against "hackers" and others who may seek to access the Subscription Services without authorization. 10. Feedback Rights. Parties agree that any Feedback Client or an authorized user provides to Covetrus shall not be deemed Confidential Information and nothing in this Agreement or in the parties' dealings arising out of or related to this Agreement shall restrict Covetrus' right to use, profit from, disclose, publish, keep secret, or otherwise exploit Feedback, without compensating or crediting Client or any authorized user.

11. Transition Services. After either Party's notice of termination, Covetrus shall assist Client with transition to an alternative vendor or to in-house operations pursuant to Covetrus' then-standing transition policies (the "Transition Services"); provided that (a) no Transition Services shall be provided if Covetrus has reasonable basis to believe that Client is in breach of this Agreement and (b) Client pre-pays Covetrus' standard fees for Transition Services. Covetrus has no obligation to provide Transition Services or retain any data related to providing the Technology Services to Client after termination of this Agreement.

12. Warranties.

This limited warranty shall be void or otherwise not apply if the failure of the Subscription Services or Software to conform is caused by (i) the use or operation of the Subscription Services or Software with an application or in an environment other than as set out in the Documentation, or (ii) modifications to the Subscription Services or Software that were not made by Covetrus or Covetrus's authorized representatives.

(c) Neither party will introduce any virus or other harmful or malicious code designed to disrupt the use of the Subscription Services or Software.

EXCEPT AS STATED IN THIS SECTION, NEITHER COVETRUS (NOR ANY COVETRUS AFFILIATE) MAKES ANY REPRESENTATION OR WARRANTY THAT CLIENT'S USE OF THE TECHNOLOGY SERVICES WILL BE SECURE, UNINTERRUPTED OR ERROR FREE. NO STATEMENT OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED FROM COVETRUS (OR ANY AFFILIATE) IN ANY MEANS OR FASHION SHALL CREATE ANY WARRANTY OR REPRESENTATION NOT EXPRESSLY AND EXPLICITLY SET OUT IN THIS AGREEMENT.

13. Indemnification by Covetrus.

(a) Subject to the restrictions set out in this Clause, Covetrus shall indemnify, defend and hold Client harmless from and against all losses (including reasonable legal fees) arising out of any third party suit or claim alleging that Client's authorized use of the Subscription Services or Software infringes any valid UK, U.S. or European Union patent or trademark, trade secret or other proprietary right of such third party ("Intellectual Property Right").

(b) Covetrus's obligations are conditional on the Client: (a) as soon as reasonably practicable, giving prompt written notice of the claim to Covetrus, specifying the nature of the claim in reasonable detail; (b) not making any admission of liability, agreement or compromise in relation to the claim without the prior written consent of Covetrus; (c) giving Covetrus and its professional advisers access at reasonable times (on reasonable prior notice) to its premises and its officers, directors, employees, agents, representatives or advisers, and to any relevant assets, accounts, documents and records within the power or control of the Client, so as to enable Covetrus and its professional advisers to examine them and to take copies (at Covetrus's expense) for the purpose of assessing the claim; and (d) taking such action as Covetrus may reasonably request to avoid, dispute, compromise or defend the Claim.

(c) Client shall: (i) grant Covetrus sole control of the defense or settlement of such suit or claim and (ii) reasonably cooperate with Covetrus, at Covetrus's expense, in its defense or settlement of the suit or claim. Covetrus may, at its option and expense, (i) replace the Subscription Services or Software with compatible non-infringing Subscription Services or Software, (ii) modify the Subscription Services or Software so that they are non-infringing, (iii) procure the right for Client to continue using the Subscription Services or Software, or (iv) if the foregoing options are not reasonably available, terminate the applicable Order Form or SOW and refund Client all prepaid fees for Subscription Services, Software or Professional Services applicable to the remainder of the Term of such Order Form or SOW. Any pre-paid license fees for Software will be amortized over the shorter of the license term or three (3) years. Covetrus shall have no obligation to Client with respect to any infringement claim against Client if such claim existed prior to the effective date of the relevant Order Form or SOW or such claim is based upon (a) Client's use of the Subscription Services or Software in a manner not expressly authorized by this Agreement, (b) the combination, operation, or use of the Subscription Services or Software with third party material that was not provided by Covetrus, if Client's liability would have been avoided in the absence of such combination, use, or operation, or (c) modifications to the Subscription Services or Software other than as authorized in writing by Covetrus; or (d) Client Data.

14. THIS SECTION SETS OUT COVETRUS'S ENTIRE OBLIGATION TO CLIENT WITH RESPECT TO ANY CLAIM SUBJECT TO INDEMNIFICATION UNDER THIS SECTION.

(a) Indemnification by Client.

Client shall indemnify, defend and hold Covetrus (and Covetrus Affiliates) harmless from and against all losses (including reasonable attorney fees) arising out of any third party suit or claim alleging that (i) Client's use of the Subscription Services or Software hereunder has harmed such third party claimant, or (ii) Client Data infringes any Intellectual Property Right. Covetrus shall: (i) give Client prompt written notice of such suit or claim, (ii) grant Client sole control of the defense or settlement of such suit or claim and (iii) reasonably cooperate with Client, at Client's expense, in its defense or settlement of the suit or claim. To the extent that Client is prejudiced by Covetrus's failure to comply with the foregoing requirements, Client shall not be liable hereunder.

15. LIMITATION OF LIABILITY. THE CLIENT'S ATTENTION IS IN PARTICULAR DRAWN TO THE PROVISIONS OF THIS CLAUSE.

(a) Except as expressly stated herein, Covetrus shall not in any circumstances have any liability for any losses or damages which may be suffered by the Client (or any person claiming under or through the Client), whether the same are suffered directly or indirectly or are immediate or consequential (including loss or damage suffered by the Client as a result of an action brought by a third party), and whether the same arise in contract, tort (including negligence) or otherwise howsoever, which fall within any of the following categories: (i) special damage even if Covetrus was aware of the circumstances in which such special damage could arise; (ii) loss of profits; (iii) loss of anticipated savings; (iv) loss of business opportunity; (v) loss of goodwill; (vi) loss or corruption of data; (vii) loss of contract; (viii) loss of use, provided that this clause shall not prevent claims for loss of or damage to the Client's tangible property that fall within the terms of this clause or any other claims for direct financial loss that are not excluded by any of aforementioned categories (i) to (viii) inclusive.

(b) The total liability of Covetrus, whether in contract, tort (including negligence) or otherwise and whether in connection with this Agreement or any collateral contract, shall in no circumstances exceed a sum equal to: (i) the amount of annual fees paid for the Technology Services by Client during the preceding 12 months; or (ii)

(c) £500,000 (five hundred thousand pounds), whichever is the lower.

(d) Covetrus shall have no liability in any circumstances otherwise than in accordance with the express terms of this Agreement; unless otherwise set out herein, Covetrus shall have no liability to the Client in respect of any liability unless the Client shall have served written notice of the same upon Covetrus within 2 (two) months of the date it became aware of the circumstances giving rise to the liability or the date when it ought reasonably to have become so aware. The exclusions set out herein shall apply to the fullest extent permissible at law, but Covetrus does not exclude liability for: (a) death or personal injury caused by the negligence of Covetrus, its officers, employees, contractors or agents; (b) fraud or fraudulent misrepresentation; (c) breach of the obligations implied by section 12 of the Sale of Goods Act 1979 or section 2 of the Supply of Goods and Services Act 1982; or (d) any other liability which may not be excluded by law.

(e) All references to "Covetrus" in this clause 16 shall for the purposes of this clause be treated as including Covetrus and its Affiliates and their agents, employees, subcontractors and suppliers, all of whom shall have the benefit of the exclusions and limitations of liability set out herein (without prejudice to clause 18). Nothing in this clause shall confer any right or remedy upon the Client to which it would not otherwise be legally entitled.

(d) **Amendment.** These Master Service Terms (including any Addendum or document incorporated by reference) may be amended by Covetrus from time to time, for instance (without limitation) as Covetrus adds new services, applications or features or as laws change, industry best practices evolve or Covetrus policies or practices change or are updated. Covetrus will make the most recent version of these Master Service Terms (including any Addendum or other document incorporated by reference) available to Client via the web portal link provided or notified to Client or via Covetrus' website.

(e) **Entire Agreement; Precedence.** This Agreement, including these Master Service Terms and all Order Forms or SOWs and documents attached hereto or incorporated herein by reference, constitutes the entire agreement of the parties as to the subject matter hereof and supersedes all proposals, requirements documents, discussions, presentations, responses to questions, or prior agreements, commitments or promises, oral, electronic or written, between the parties or provided by one party to another, relating to the subject matter hereof. Each of the parties acknowledges and agrees that in entering into this agreement it does not rely on and shall have no remedy or right of action with respect to any statement, undertaking, promise, assurance, warranty, understanding or any representation or misrepresentation (whether contractual or non-contractual and whether negligently or innocently made) relating to the subject matter of this agreement, whether made in writing or not and made by or to any person, other than as expressly set out in this Agreement. Nothing in this clause shall, however, operate to limit or exclude any liability for fraud. Each Order Form or SOW is governed by the terms of these Master Service Terms and in the event of a conflict or discrepancy between the terms of a Order Form or SOW and the terms of these Master Service Terms, these Master Service Terms shall govern except as to the specific Subscription Services, Software or Professional Services ordered or provided, and the fees, currency and payment terms for such orders, in relation to which the Order Form or SOW shall govern, as applicable. If an Order Form or SOW explicitly states that it is intended to amend or modify a term of this Master Service Terms, or prevail in the event of any inconsistency or conflict, such Order Form or SOW shall prevail over this Agreement solely as to such amendment or modification or to the extent of any inconsistency or conflict. Covetrus objects to and rejects any additional or different terms proposed by Client, including any that may be contained in Client's purchase order, acceptance, vendor portal or website. Neither Covetrus's acceptance of Client's purchase order nor its failure to object elsewhere to any provisions of any subsequent document, website, communication, or act of Client shall be deemed acceptance thereof or a waiver of any of the terms hereof. The party's obligations hereunder are neither contingent on the delivery of any future functionality or features of the Subscription Services or Software nor dependent on any oral or written public comments made by Covetrus regarding future functionality or features of the Subscription Services or Software.

(f) **Non-Waiver; Invalidity.** No waiver or modification of the provisions of this Agreement shall be effective unless in writing and signed by the party against whom it is to be enforced. If any provision of this Agreement is held invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired thereby. A waiver of any provision, breach or default by either party or a party's delay exercising its rights shall not constitute a waiver of any other provision, breach or default.

(g) **Assignment.** The Client shall not: (a) be entitled to assign, transfer, charge, sub-contract, sub-license, novate or otherwise dispose of (including by means of holding the benefit of the same on trust for any third party) this Agreement nor all or any of its rights and obligations hereunder; (b) allow any software licence to become the subject of any charge, lien or encumbrance; or (c) deal in any other manner with any or all of its rights and obligations under this Agreement without the prior written consent of Covetrus. Covetrus shall be entitled to assign, transfer, charge, sub-contract, sub-license, novate or deal in any other manner with any or all of its rights and obligations under this Agreement in its entire discretion and the Client shall on request by Covetrus execute a novation agreement in respect thereof in such form as Covetrus shall require. A party seeking to assign (to the extent and in the manner permitted under this Agreement) any or all of its rights under this Agreement may disclose to a proposed assignee any information in its possession that relates to this Agreement or its subject matter, the negotiations relating to it and the other party which is reasonably necessary to disclose for the purposes of the proposed assignment, provided that no disclosure pursuant to this clause shall be made until notice of the identity of the proposed assignee has been given to the other party (and any required consent to the assignment or proposed assignment has been given).

Notwithstanding the foregoing, either party may assign this Agreement to any Affiliate, or to a person or entity into which it has merged or which has otherwise succeeded to all or substantially all of its business or assets to which this Agreement pertains, by purchase of shares, assets, merger, reorganization or otherwise, and which has assumed in writing or by operation of law its obligations under this Agreement, provided that Client shall not assign this Agreement to a direct competitor of Covetrus. Any assignment or attempted assignment in breach of this clause shall be void. This Agreement shall be binding upon and shall inure to the benefit of the parties' respective successors and assigns.

(h) **Governing Law and Jurisdiction.** This Agreement will be governed and construed in accordance with English law, without regard to conflict of law principles, and both parties hereby submit to the exclusive jurisdiction of the English courts in respect of all disputes arising out of or relating to this Agreement.

(i) **Survival.** Provisions of this Agreement that are intended to survive termination or expiration of this Agreement in order to achieve the fundamental purposes of this Agreement shall so survive.

(j) **Headings and Language; Severability.** The headings of sections included in these Master Service Terms are inserted for convenience only and are not intended to affect the meaning or interpretation of these Master Service Terms. Words importing the singular include the plural and vice-versa. If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

(k) **Export Regulation.** The Subscription Services, Software, and Data Analytics utilize software, information and technology that may be subject to UK export control laws, including the Export Control Act 2002, the Export Control Order 2008, and the EU Dual Use Regulation (Council Regulation 428/2009) (if applicable). Client shall not, directly or indirectly, export, re-export, or release the Subscription Services, Software, and Data Analytics or the underlying software or technology to, or make the Data Analytics, Subscription Services or the underlying software or technology accessible from, any jurisdiction or country to which export, re-export, or release is prohibited by law, rule, or regulation. Client shall comply with all applicable laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), prior to exporting, re-exporting, releasing, or otherwise making the Data Analytics, Subscription Services or the underlying software or technology available outside the UK. The provisions of this sub-clause shall be without prejudice to Client's obligations, and shall not grant Client any rights which it does not otherwise have, under this Agreement.

(l) **Equitable Relief.** Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations under Clause 4 or, in the case of Client, Clause 2, would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other Party will be entitled to equitable relief, including an injunction, specific performance and any other relief that may be available from any court, without any requirement to provide security or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity or otherwise.

(m) **Contract for Services.** The parties intend this Agreement to be a contract for the provision of services and not a contract for the sale of goods, save as otherwise contemplated in Clause 2(g) in relation specifically (and to that limited extent) to Equipment.

(n) **Actions Permitted.** Except for actions for nonpayment or breach of a party's proprietary rights, no action, regardless of form, arising out of or relating to the Agreement may be brought by either party more than one year after the cause of action has accrued.

(o) **Telemedicine.** Where applicable, Client understands and agrees that its use of telemedicine products and services shall be in accordance with applicable local, state and national laws, rules and regulations. Telemedicine products and services provided via GoToMeeting are subject to the terms and conditions set out at LogMeIn <https://www.logmeininc.com/legal/terms-and-conditions> and/ or Telemedicine products and services provided via Zoom are subject to the terms and conditions set out at <https://zoom.us/terms/>.

19. Covetrus Party

In the case of any Order Form or SOW stated to be agreed by an Affiliate of Covetrus (i.e. other than VSL), unless the context otherwise requires the term "Covetrus" as used throughout these Master Service Terms shall, in respect of that Order Form or SOW, mean the specific Covetrus Affiliate named as the party executing or agreeing to such Order Form or SOW with Client.

20. Rights of Parties. Third Party Rights.

Covetrus and its Affiliates may enforce the terms of this Agreement subject to and in accordance with this clause, this Agreement and the Contracts (Rights of Third Parties) Act 1999. It is agreed that this Agreement is intended to confer a benefit on Covetrus Affiliates, and subcontractors and suppliers, by making the exclusions and limitations of liability available to them in accordance with this Agreement, provided that the rights of such subcontractors and suppliers under this agreement shall only be enforceable by Covetrus on their behalf. Covetrus will owe no duty to them to enforce such rights and it may conduct or compromise any relevant proceedings as it sees fit. For the avoidance of doubt, Covetrus may appoint any Affiliate to exercise any of its rights or perform any of its duties hereunder, provided that Covetrus shall be solely responsible and liable for the performance of obligations under and adherence to this Agreement. Except as expressly provided herein, a person who is not a party to this Agreement shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement, but this does not affect any right or remedy of a third party which exists, or is available, apart from that Act. The rights of the parties to terminate, rescind or agree any variation, waiver or settlement under this Agreement are not subject to the consent of any person that is not a party to this Agreement.
