AVIMARK 18.10.1

You told us what you wanted. And, we heard you.
AVIMARK 18.10.1 IS HERE!

MORE SPEED. BETTER VISIBILITY. BIGGER ENHANCEMENTS.

More Speed

We have optimized performance in 16 major areas of the system, including these top three:

- ☑ Whiteboard
- ☑ Appointment Calendar
- ☑ Medical History (entering recordable entries)

Better Visibility

AXIS-Q LENS™ is the new way to view trends in lab results online, using all of your lab integrations. **Click here** to check out how AXIS-Q LENS can help you quickly and efficiently determine the patient's diagnosis through better visibility of all lab results. And it is FREE to all AVImark clients with support.

Bigger Enhancements

Other areas of AVImark which have been enhanced in this release, include:

- ✅ ASAP Controlled Substance Reporting

- ✅ Credit card handling

- ✅ Reminders

- ✅ Wellness Plans

There are more than 85 program enhancements in this release. **Click here** for the full list of changes for this release.

Many enhancements are related to the IDEXX Reference Lab, including the ability to:

- ✅ Experience consistent naming—now you will see "IDEXX Reference Lab" instead of "IDEXX LabREXX"

- ✅ Point right to the VetConnect PLUS interface from the new request window

- ✅ Edit an existing IDEXX Reference Lab Requisition

- ✅ Choose Staff or Doctor discount options through IDEXX

- ✅ Experience improved error handling

Be sure to check out the **AVImark Support Resources** for additional details on the IDEXX enhancements.

The wait is over. Remember, your AVImark support team is available to answer questions you may have regarding AVImark 18.10.1.
